

CROSS CHECK ✓

**Are you confident of passing
a farm inspection?**

Do you want peace of mind?

Need help to keep your
Farmer Network Farm Records
and **Policy folder** up to date?

Our Farm Regulations Coordinators will visit your farm and can offer assistance.

OPTIONS

1. **A pre-farm assurance audit** to check all your records before an inspection.
2. **Cross Compliance Review to Check:**
 - Soil Protection Review
 - Records to confirm Good Agricultural & Environmental Condition
 - Water Framework & Nitrate Regulations record
 - Other policy records
3. **Panic visit after an inspection where non-compliance actions identified.**
4. **Regular Check Service**
Regular visits to keep all your records up to date and give peace of mind.
