Farm Labour Emergency Support Scheme REQUEST FORM

Dates you expect to need help

From:

To:

Do you have a written contingency plan? Yes / No

Do you need help with contingency planning? Yes / No

(If you need help, there is a template on the Farmer Network website and / or you can arrange a phone call to help you from Farmer Network staff).

Do you have Covid-19 biosecurity provisions in place? Yes / No

Reasons that you may need help:

Are there any specific issues on your farm that we should be aware of?

Is there anyone else who knows the farm and who could advise a helper over the phone? Please give the name and contact details.

Are you happy for us to pass your contact details to potential labour providers who may be suitable?

DISCLAIMER:

The Farmer Network Ltd is providing a contact and communication service only. Any agreement and details thereof, with regard to the provision of emergency labour, is made solely between the farmer/farm business and the person providing the labour.

The Farmer Network accepts no liability whatsoever for any actions or issues from any party resulting from an emergency labour agreement created from FLESS contacts.

GDPR: The Farmer Network will only disclose information on farmers requesting support directly to persons offering their services via FLESS. This will be solely by the agreement of both parties. No other parties or organisations will be given this information.
