# THE FARMER NETWORK TRAINING VOUCHER SCHEME

The Farmer Network training voucher scheme is designed to help members afford the cost of training and certificates of competence related to operating their farm business.

Vouchers worth up to £200 can be used for a wide range of training courses including:

- safe use of ATV's/tractors/telehandlers
- safe use of pesticides
- safe use of aluminium phosphide
- rodent control
- B&E trailer towing
- use of farm business software packages
- animal husbandry courses - sheep shearing/calf-rearing/foot trimming/AI
- countryside management - chainsaw use, hedge laying and walling

This scheme is open to all Farmer Network members, including their employees and family over the age of 16.

Vouchers are awarded on a first come first served basis, with priority being given to members who have had less than two vouchers in the previous 5-year period.

Members can apply for one voucher per year subject to funding being available. Training must be booked before the application is made. Vouchers are reimbursed once the training has been completed.

For more information about the Training Voucher Scheme please contact The Farmer Network.
