This briefing provides information about the Government support available to businesses during the Coronavirus outbreak. For more details, click [Business Support Finder](#) and with any questions, please contact the Farmer Network on 01768 868615, or E mail: Veronica@thefarmernetwork.co.uk.

1. GRANTS

a) SMALL GRANTS TO HELP BUSINESSES RECOVER FROM COVID-19

Cumbria Growth Hub has just opened a new small grant scheme to help businesses recover from COVID-19. Businesses can apply for grants from £1,000 to £5,000 if they can demonstrate a 40% loss of income between March and June, compared with the same period in 2019. The grants can be used for specialist advice and visitor economy businesses can also apply for grants to boost productivity, to continue to deliver business activity or diversify in response to Covid-19. The application period is only 2 weeks and businesses should email info@cumbriagrowthhub.co.uk asap. The scheme will also be available in Yorkshire but will not open until September. You can register an interest on the following website: [Yorkshire Growth Hub Small Business Grant](#)

b) SELF EMPLOYMENT INCOME SUPPORT SCHEME

If you are self-employed, or a member of a partnership, you may be able to claim a taxable grant based on your average monthly trading profits. The deadline for claiming the first round of funding has now passed, but a second and final round of funding will open on 17th August. For the second claim you will need to confirm your business has been adversely affected on or after 14 July 2020. You can claim for the second grant even if you did not make a claim for the first grant.

c) LOCAL AUTHORITY GRANTS

(i) Small Business Grant Fund – deadline 28th August

Grants of £10,000 have been available to businesses with a rateable value of up to £15,000 that receive Small Business Rate Relief Rate, Rural Rate Relief or tapered relief. Note farm businesses and some diversified enterprises such as B&Bs do not pay business rates so have not been eligible.

(ii) Retail, Hospitality and Leisure Grant Fund – deadline 28th August

Grants of £25,000 have been available to retail, hospitality and leisure businesses with a rateable value between £15,000 - £51,000. There is also a business rate holiday for the 2020-21 tax year.

(iii) Discretionary Grant Fund – Allerdale has just opened a 3rd round

The [Local Authority Discretionary Grants Fund](#) is aimed at small and micro businesses with fixed property costs not eligible for the Small Business Grant or the Retail, Hospitality and Leisure Grant Fund. Businesses needed to demonstrate relatively high ongoing property-related costs and that

they suffered a significant fall in income due to the COVID-19 crisis. For farmers, this was relevant to Bed and Breakfast enterprises paying council tax instead of business rates.

In most cases the deadline has passed for applications but Allerdale in West Cumbria has just opened a 3rd round of the scheme - see: [Allerdale Discretionary Grant](#). The deadline is 5pm, 26 August.

For more information about these schemes, please contact your Local Authority on the following links: [Allerdale](#), [Barrow](#), [Carlisle](#), [Copeland](#), [Eden](#), [South Lakeland](#), [Craven](#), [Harrogate](#), [Richmondshire](#).

d) DAIRY RESPONSE FUND

The [dairy response fund](#) deadline has now been extended until 11th September. To be eligible, farmers need to demonstrate that they suffered a reduction in the average price paid for their milk of 25% or more in April 2020 when compared with February 2020. Qualifying farmers are entitled to up to £10,000 to cover 70% of their losses across April and May incurred as a result of this drop in price, following a reduced demand for milk with the closure of restaurants, bars, and cafes during lockdown. Note that basing the criteria on milk price only will mean that many farmers will not qualify and it does not help those that have lost supply contracts, or had reduced demand for their milk.

e) PRINCE'S TRUST AND NATWEST ENTERPRISE RELIEF FUND FOR 18-30 YEAR OLDS

The [Prince's Trust Enterprise Relief Fund](#) offers grants to 18 to 30-year olds who are self-employed and/or running their own business. You must have set up your business in the last four years without any other source of income during the crisis. The initiative is also offering one-to-one support.

f) LOANS

a) "BOUNCE BACK" LOAN SCHEME

Bounce Back loans are 100% backed by the tax payer (rather than 80%) with the government paying the interest for the first 12 months and with no capital or interest repayments due for one year. The loans are from £2,000 up to a maximum of 25% of turnover, or £50,000. The interest rate is fixed at 2.5% with the capital to be repaid over 6 years with no early repayment charge. Eleven lenders are participating in the scheme including most of the main banks. You should approach your own bank in the first instance, or a list of lenders is on the following website: [Bounce Back Loan providers](#).

b) CORONAVIRUS BUSINESS INTERRUPTION LOAN SCHEME

This scheme helps SME businesses access finance of up to £200 million (increased from £5 million) and is 80% underwritten by the Government. You apply via your lender's website or through one of 40 accredited finance providers offering the scheme. For more details: [click here](#)

c) CORONAVIRUS FUTURE FUND SCHEME

The Government's [Future Fund](#) Scheme offers convertible loans of between £125,000 and £5 million to companies which can obtain match funding from the private sector.

g) SUPPORT FOR BUSINESSES WITH EMPLOYEES

a) CORONAVIRUS JOB RETENTION SCHEME

The Job Retention Scheme provides a grant to help cover the costs of retained workers who are "furloughed". From 1 August 2020, employers pay National Insurance (NI) and pension contributions for their furloughed employees. From 1st September, they will also have to contribute 10% towards the furlough payment, rising to 20% in October. The scheme ends on 31st October. For more information see: [Furlough scheme guidance](#).

Job Retention Bonus.

Employers should be able to claim a one-off payment of £1,000 for every employee they have furloughed who remains continuously employed until the end of January 2021. The employee must have been paid an average of at least £520 per month, and at least £1,560 across the three months from November-January. More information will be available by the end of September.

b) STATUTORY SICK PAY REBATE FOR SMES

The [Coronavirus Statutory Sick Pay Rebate scheme](#) provides a refund to cover up to 2 weeks' Statutory Sick Pay per eligible employee who has been off work because of coronavirus.

h) OTHER SUPPORT

a) "Eat Out to Help Out" Scheme

From Mondays to Wednesdays in August, diners can get 50% off meals and non-alcoholic drinks, up to £10 per person, when eating at participating establishments that have registered.

b) VAT reduction

From 15 July until 12 January 2021, the UK government will cut VAT from 20% to 5% on any eat-in or hot takeaway food and drinks from restaurants, cafes and pubs, excluding alcohol. This VAT reduction also applies to all holiday accommodation in hotels, B&Bs, campsites and caravan sites, as well as attractions like cinemas, theme parks and zoos. Click [HERE](#) for information on hospitality and accommodation businesses.

c) Increase in the Stamp Duty Threshold

With immediate effect and until 31 March 2021, the threshold under which no Stamp Duty Land Tax (SDLT) is paid on the purchase of a main home has been increased from £125,000 to £500,000.

i) HELP FROM THE FARMER NETWORK

If you need help during the Covid-19 crisis, please call the Farmer Network to get information about business support schemes, sourcing supplies, preparing contingency plans and finding emergency labour for your business in case of illness or if workers have to isolate.

The Farmer Network has created a register of potential emergency farm workers and want to hear from farmers who might need this support - this may be skilled staff able to work full time on a paid basis, or unskilled volunteers willing to help with basic tasks under supervision, or with collecting or delivering supplies. We can also help with preparing contingency plans.

Our grants adviser, Veronica Waller, is available for one to one advice about the support schemes and how relevant they might be to your business. Call 01768 868615 for help.

We send out an E News update every Friday afternoon to Farmer Network members and please call us on 01768 868615 if you are not receiving E News (also check your "junk" folder).
