

Red Tractor Standards Update

Monday 8th November 2021
7.30pm on Zoom

The
**FARMER
NETWORK**

Join our discussion with

Jemma Holden

Red Tractor Dairy Technical Manager

and

Karl Pendlebury

Knowledge Exchange Manager – AHDB Beef & Lamb

Find out more about:

- The Version 5 Standard update on:
 - Tethering cattle and what that means for farmers
 - Antibiotics use and medicine training
 - Improving health and safety on farms
- The opportunities/derogations farmers have to embrace these changes
- Welfare standards and improving public perception
- The public demands on British beef, lamb and dairy products

To register for the meeting please call the Farmer Network on
01768 868615 or email admin@thefarmernetwork.co.uk

Not sure about using Zoom? Please give us a call for help.
